

Axis Studio Online Account Registration Manual

This Manual details the procedure for users who have purchased PN Studio or PN 3 series products to register online and gain access to the Axis Studio software.

1 Account Registration

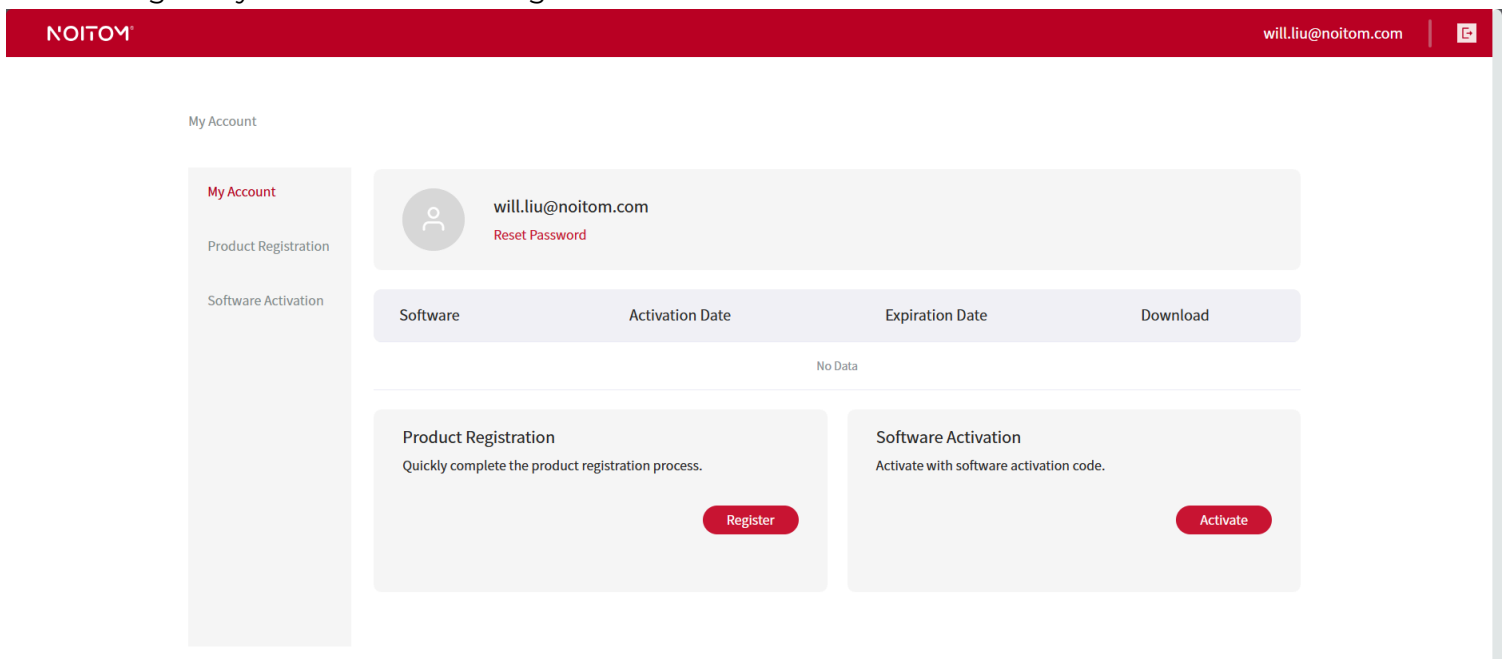

Go to the <https://account.noitom.com> website and use an email account to register your account.

The screenshot shows the NOITOM login interface. At the top is the NOITOM logo in red. Below it are two input fields: 'Email' and 'Password'. A large red 'Sign In' button is centered below the fields. At the bottom, there are two links: 'New here? [Create an Account](#)' and '[Forgot](#)'.

2 Product Registration

a. Log into your account after registration

The screenshot shows the user account dashboard for 'will.liu@noitom.com'. The top navigation bar is red with the NOITOM logo on the left and the user's email and a profile icon on the right. A sidebar on the left contains three menu items: 'My Account' (highlighted in red), 'Product Registration', and 'Software Activation'. The main content area shows the user's profile information, including the email 'will.liu@noitom.com' and a 'Reset Password' link. Below this is a table with columns for 'Software', 'Activation Date', 'Expiration Date', and 'Download'. The table is currently empty, with 'No Data' displayed below it. At the bottom, there are two cards: 'Product Registration' with a 'Register' button and 'Software Activation' with an 'Activate' button.

b. Click the "Register" button to activate it. After entering the Product ID, click the "Verify" button.
